Iwi: Ngāti Awa, Ngāitai

Profile

A professional with a strong cultural identity steeped in tikanga and te reo Māori, I am passionate about improving Māori outcomes and am eager to use my commercial skills and acumen to allow me to uplift and inspire Māori. I have expertise gained in New Zealand and The United Kingdom in strategy design, financial management, advisory and change management. I have worked in the Corporate and Māori sectors for large organisations including Deloitte, BNZ, The Royal Bank of Scotland and Air New Zealand. I am also passionate about using my New Zealand level sporting background to raise the capability and culture of teams that I work with.

Highlights

Led Iwi and organisations through Business Continuity Planning, Strategy Reset, Digital Capability and Enterprise Risk reviews. Responding to the impact of COVID 19, guided organisations through the response with a forward looking to recover and thrive.

Build cultural capability amongst teams, celebrate Te Ao Māori in a corporate setting and unique ability to bring diverse perspectives together and lead with courage as a culturally strong Māori Wahine, uplifting and empowering others.

Chair of NZ Māori Rugby Commercial Committee, Key lead in the NZR Silver Lake Private Equity Due Diligence review, developed the Māori rugby revenue strategy, developed external relationships within NZ Inc to explore commercial opportunities locally and internationally

Successfully implemented large scale global change management projects within strict reporting deadlines. Complex Banking Regulatory and Risk projects with all milestones delivered on time.

Applied KAIZEN and Lean principles to uplift and coached teams, resulted in improved reporting timeframes, identification of all non-value-added activities, and also gave team members reasons to understand why certain tasks were completed. Accomplished through alignment of activities, responsibilities, and accountabilities centred around value-added principles.

Completed cost saving exercises to return business to profitability. Previous margins/revenue had completely disappeared. Included decisions like rationalisation of Bloomberg terminals and termination of leases.

Stan Ratahi

Profile

I am Stan Ratahi, currently employed as a Te Pou Kōkiri (Cultural Expert) for Te Whatu Ora Hauora a Toi – Mai i ngā Kuri a Whareī ki Tihirau with 15 years' work experience within the public health sector.

I enjoy working alongside our Whānau, Hapū and Iwi to support the delivery of He Pou Oranga Tangata Whenua determinants through the cornerstones of Ngā Pou Mana o Io that underpins our Māori holistic worldview. I have a keen awareness of Māori indigenous rights and current issues in relation to health and health equities.

About My Role:

- In my role at Te Whatu Ora Hauora a Toi, I am committed to improving Māori health outcomes and achieving health equity for Māori through Te Tiriti o Waitangi obligations.
- Championing and supporting Toi Ora knowledge and competence within the workforce.
- We work to create a future where our mokopuna are raised in Mana Atua, Mana Tupuna, Mana Whenua, Mana Moana, and Mana Tangata.

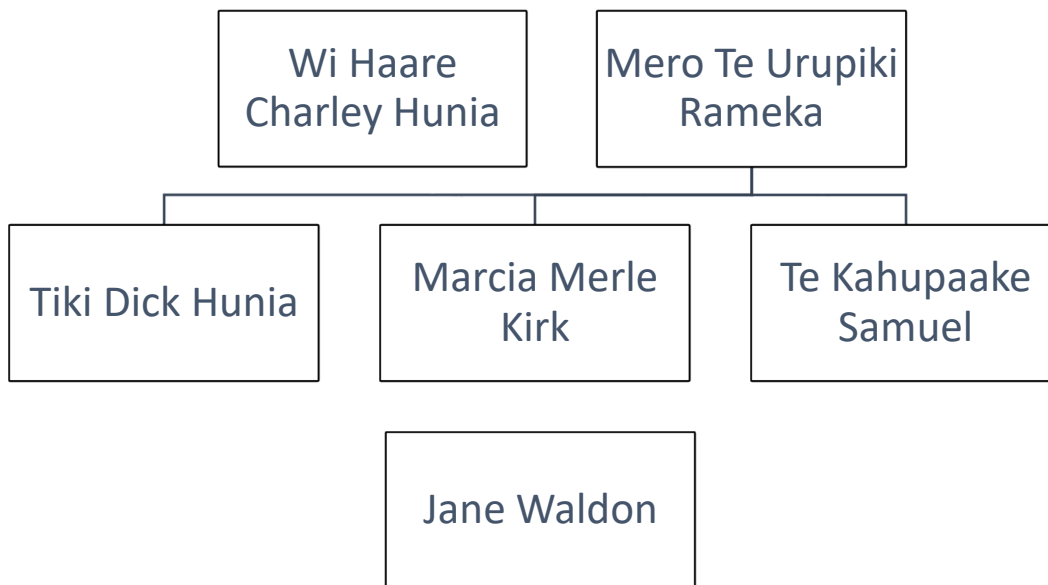

Personal Strengths:

- Fluency in Te Reo Māori.
- Cultural expert in Tikanga and Kawa
- A sound understanding and awareness of traditional Māori health care models and rongoa. Proven experience working within Whānau, Hapū and Iwi.
- Driven to apply Te Aō Māori views, concepts, and knowledge in my work practices.
- Actively engaged as a Kaumātua and spokesperson within Rangihouhiri, Hikakino and Taiwhakaea Hapū and Marae.

Board Governance Roles:

- Chairman of MK Ratahi Trust.
- Chairman of Paroa Lands Trust.
- Chairman of Kawarehe Trust.
- Trustee of Kopuatawhiti Trust. Trustee of Umuhika Trust.
- Hapū Delegate for Hikakino – Te Rūnanga o Ngāti Awa.
- Board member of NAGHL – Timurau and Ngakauoroa Farms. Chairman and Trustee of Rangihouhiri Marae.
- Project Management – My role involves overseeing quarry compliance to ensure high-quality aggregate production and meeting milestones for the Papakainga establishment of 40 homes on Kawarehe Lands Trust.
- Formed Land Trust joint venture partnerships for business investments in Miro Berries, Whakatōhea Mussels (Opotiki) Limited, and Ratahi Quarry.

Jane Waldon

Aku Pukenga/tūmahi wheako

I have over 20 years' experience in the public service and local government. I worked in the Māori Land Court in Rotorua for several years before moving into the Dept of Corrections and to Wellington. I have a good understanding of Māori Land Court processes and Te Ture Whenua Māori Act. While in Wellington I worked at Te Taura Whiri i te Reo Māori (Māori Language Commission), Te Roopu Whakamana i te Tiriti (the Waitangi Tribunal) and the Māori Land Court (National Office). I have also worked for the Ministry of Social Development, Bay of Plenty Regional Council, Ōmataroa Rangitaiki No. 2 Trust and the Ministry for Primary Industries (Māori Agribusiness).

During my time at Regional Council, I worked in various roles, the last of which was as Internal Services Manager. In this role I managed four teams with over 30 staff. During my time as Manager, I won the Leader of the Year Award. I also honed my performance management skills and have dealt with staff who did not meet the standards required for their role.

Hearing Commissioner for Resource Management Act hearings. I am genealogist and researcher and hold whakapapa for my wider whanau. I have good facilitation and presentation skills, can run workshops and have specialised skills in consultation and engagement, particularly with Māori.

Not long after the Edgcumbe floods I was involved in getting the Kaumatua housing paid for by the Government at Kokohinau Marae. I helped the initial project development including assisting in the completion of the project plan, engaging with our hapu and provided resource consent information and connections to the Project Manager to speed up the consenting process. I also later developed the initial Kokohinau Papakainga Trust Development Plan, at no cost to the Trust.

I have my own business where I provide consultancy services to the BOP Regional Council and Ake Accounting to assist iwi/hapu/whanau and Māori Land Trusts with projects to build their capability. Some of the project I have involved in include:

1. The Mataatua Macadamia Collective
2. Te Toke Trust Land Utilisation project
3. Torere 14 Land Utilisation project
4. Kukumoa (now known as Waimaringi) Trust Land Utilisation project
5. While working for the Ministry of Primary Industries I was the contract manager for some large Māori Land Trust Collectives such as Te Arataki, Whenua Fruits and Ngāti Tarāwhai Pest Control.
6. Rangitaiki River Forum co-governance committee
7. Tarawera Awa Restoration Strategy Group – co governance committee

Te Wā o Ōmataroa

I served as a Trustee on Ōmataroa Rangitaiki No. 2 from 2014-2019, with the last 3 years as Deputy Chairperson. I stood down as a Trustee when I became a staff member – a role I held for 3 years. I am currently the Chairperson of Te Roopu Manaaki i te Hunga Haua (since 2017) – also known as Te Whare Manaaki. I was put onto Whare Manaaki as a Trustee by the board of Omataroa Rangitaiki No. 2 to pull the Whare through difficult financial times.

Some of the things I helped achieve as a Trustee on Ōmataroa Rangitaiki No. 2 that I am most proud of include:

- Separating the Trust from Putauaki Trust and having our own staff and office. This included writing policies and procedures
- Reducing spending
- Reducing the Kaumatua eligibility age from 65 to 60
- Creating the Texas Rangers programme

I was a staff member for Omataroa Rangitaiki No. 2. My role was Projects and Relationships Manager. During my time as a staff member I successfully:

- helped the Trust diversify its risk profile by purchasing a commercial property.
- applied for PGF funding to create Omataroa Eco Tours which included building an off-grid Eco Centre on the whenua. I wrote the Business Plan/Budget and submission to the PGF which was successful.
- created the original Omataroa Eco Tours website, facebook page and U-Tube channel including making videos to promote the Texas Rangers and the Omataroa Kiwi Project/Eco Tours.

- applied for a resource consent to operate Otipa Quarry, drafted the Quarry Plan and helped set up their Health & Safety procedures, including meeting with WorkSafe. Setting up the quarry to become operational required engaging with stakeholders such as TrustPower, Pioneer Energy, Rayonier Matariki Forests, Whakatane District Council and the Bay of Plenty Regional Council. I also engaged with Ngāti Awa and Ngai Tūhoe and requested Cultural Impact Assessments from them which were submitted to Council along with the consent application, quarry plan, and health & safety procedures.
- help set up the business arm of the Trust
- assisted in the Texas Rangers programme and provided support to Ian Tarei with the Kiwi Project enabling the Trust to extend its buffer for Kiwi protection. I submitted a grant application to the Jobs for Nature programme, the Trust received a large grant used to pay Ian and his team to undertake pest control for the Kiwi buffer as well as providing employment.
- assisted in the design of the Omataroa Triennium Booklet and presented the Trustees Report to the last Triennium hui.
- Alongside Waaka Vercoe, I co-wrote the waiata for Omataroa that was sung at the previous Triennial Hui.

I also provided assistance with whakapapa to help beneficiaries register with the Trust.

Appropriate housing is a basic necessity that all our whanau should have access too. In the future, I hope that the Trust looks into any opportunities to provide whenua for housing, particularly with the large block that wraps around the Pavillion. This is an area I would be keen to help bring to reality.

My personal interests include whakapapa, mau rakau, singing and playing the piano/guitar, spending time with my whanau, reading, photography, drawing
